

QA Bug Report - Vosyn Website

Date: 2026-03-23

Total Identified Bugs/Warnings: 10

Summary of Findings

Bug #1: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/> Call log:
 - navigating to "<https://vosyn.ai/>"
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #2: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/vosynverse/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/vosynverse/> Call log:

- navigating to "

- **Reproduction Steps:**

1. Navigate to <https://vosyn.ai/vosynverse/>
2. Observe application behavior based on predefined metrics or user interaction.
3. Detect threshold breach or rendering flaw.

- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #3: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/vosyncore/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/vosyncore/> Call log:
 - navigating to "h
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/vosyncore/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #4: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/vosynconnect/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/vosynconnect/> Call log:
 - navigating to
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/vosynconnect/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #5: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/about-us/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/about-us/> Call log:
 - navigating to "ht
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/about-us/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #6: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/investors/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/investors/> Call log:
 - navigating to "h
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/investors/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #7: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/media-pr/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/media-pr/> Call log:
 - navigating to "ht
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/media-pr/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #8: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/careers/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/careers/> Call log:
 - navigating to "htt
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/careers/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #9: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/contact-us/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/contact-us/> Call log:
 - navigating to "
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/contact-us/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.

Screenshot Evidence:

Bug #10: Page Load Failure

- **Severity:** High
- **URL Impacted:** <https://vosyn.ai/join-the-waitlist/>
- **Description:** Failed to load page within limits. Error: Page.goto: net::ERR_CONNECTION_REFUSED at <https://vosyn.ai/join-the-waitlist/> Call log:
 - navigati
- **Reproduction Steps:**
 1. Navigate to <https://vosyn.ai/join-the-waitlist/>
 2. Observe application behavior based on predefined metrics or user interaction.
 3. Detect threshold breach or rendering flaw.
- **Expected Result:** Application meets robust performance or validation requirements.
- **Actual Result:** The recorded behavior flagged the validation rule as breached.
